

“Serving those who serve” **Shipping a Slice of Home to Iraq***

The volunteers from ***Gifts for Heroes*** are dedicated to obtaining comfort items for service members who are currently fighting the war against terrorism and those who are recovering from battle injuries.

If you, or someone you know, would like to help make life more comfortable for a member of the military and send the message to all our troops that we are proud of them, please consider donating items from the list below. ***Gifts for Heroes*** will see to it that your generous contributions reach the brave members of the military (human and canine) who are so deserving of “a slice of home.”
